The Mollohan Conference and Training Center

is an 8,000-square-foot facility designed to host a wide variety of activities and programs. The facility offers a 5,500-square-foot banquet and assembly hall for wedding receptions and parties as well as large group training and educational events. An 800-square-foot conference room is located at the back of the center separated from the assembly hall by a 600-square-foot commercial kitchen. The center is climate controlled for year-round programming.

150 Campsites and Shower House Facilities

have been developed with water and electrical hook-ups. A dump station has recently been added on site. With the addition of the shower house and rest room facilities, our campgrounds are now ready to host campers in a quiet, rustic, county environment close enough to town for shopping or dining out.

Two Shelters and Picnic

areas are available for reunions, parties and family gatherings. Two smaller shelters seat approximately 50 people and one large shelter that has two pickleball courts. .

The 40-acre campgrounds

are open recreational fields which provide youth a great deal of open space to run. The property is located next to Big Fishing Creek which provides fishing and boating opportunities. A Stage is also located on the facility for concerts and community activities.
